The Lyrics

JUMP ON THE BANDWAGON

Watch the wonderful sunrise today, sky is blue.
Hear the earth is roaring, I'm sure it's moving too.
Life goes on somehow but sometimes don't know how.
Feel my deepest hope dying inside of me now.
Don't ask for details, I cannot confirm.
I've burned my bridges. No place to return.

There's something new. Jump on the bandwagon!
Out of the blue. Jump on the bandwagon!

Watch the sun go down on a happy day.
But all perfect moments are not meant to stay.
Tell me where you are going, don't just tell me who you are.
Just be careful with me, we shouldn't go too far.
I've burned my bridges. No place to return.
Don't ask for details, I cannot confirm.

ETERNITY

You doubt yourself. Can you make it like the others?
Which way is right, which is wrong? Can we trust each other?
Searching for right choices. The choice is yours.
And while we're still thinking, time is ticking...

It's time to achieve what you set out to do. You're free.
Your imagination is slowly getting going...

Don't doubt yourself. You can make it like the others.
Which way is right, which is wrong? We can trust each other?
In the right time, the right location. The choice is yours.
And while we're still thinking, time is ticking...

AGE-OLD WISDOM

Iron, unyielding...
Infinite strength you no longer feel.
Oh yes, we are strong, still believe in ourselves.
But we never reached the whole universe.

Age-old wisdom, here we go again:
Don't play all your cards before you know the rules.
Wisdom of nature: Indifference means death.
So much to discover, still so much to learn.

Unbreakable, invincible...
Never ending power we've always felt.
Oh no, we don't mind. We've had a good time.
Though we never crossed all borders in this lifetime.

ONLY DO WHAT YOU LIKE

They try to steer you down their path.
Always manipulate at last.
When they come and tell what's right for you,
They try to insist but you have to do the things you do.
Do what like. Have some fun! Do what like. Have some fun!
Do what like. Have some fun! Whatever you do just have fun!

Only do what you like

Only do what you like

Advice is just their point of view.
Only you can decide what you really wanna do.
When they think they know what's right for you,
They try to insist but you have to do the things you do.
Do what like. Have some fun! Do what like. Have some fun!
Do what like. Have some fun! Whatever you do just have fun!

Only do what you like

Only do what you like

Only do what you like

Only do what you like

With love and understanding, it's your life
No one but you knows what is best – for your life

Only do what you like

Only do what you like

Only do what you like

Whatever...
Whatever you do just have fun!
Just have fun!
Just have fun!
